

PRODUCT PROFILE

HEAVY DUTY COOLANT THERMO-TECH EG

Available to purchase from October 2012, Donaldson Thermo-Tech Heavy Duty Coolant will replace our existing range of Coolants and Flush. Thermo-Tech will be available in conventional EG (Ethylene Glycol), long lasting OAT (Organic) and our Hybrid PG (Propylene Glycol) which is fully compatible with other PG aftermarket brands available.

Thermo-Tech EG is a conventional coolant designed to last up to 2 years, 320,000 kms or 3,000 hours in heavy duty applications.

Thermo-Tech EG is available in ready to use premix as well as concentrates, see below for ordering details.
